AGE-ONE

THE ONLY REAL ALL ELECTRONIC GUITAR ECHO MACHINE

- AGE-ONE** is the first marketed all electronic version of the tape and disk echo machines, used by practically all guitar players during the 60's and 70's.
- AGE-ONE** is not, in any way to be compared with the various digital delay units and delay pedals, nowadays commonly used by guitar players.
- AGE-ONE** gives you a warm, living and natural echo sound, imitating the old days tape machines with a fantastic realism.
- AGE-ONE** has separate loops for connection between guitar and amplifier or connection to an effectloop in any amplifier or PA-system.
- AGE-ONE** is equipped with a six position selector for selection between six different presets echotypes. All settings can be finetuned with the other four controls.
- AGE-ONE** fulfills all the demands and suggestions that we have received during the long development time we have spent together with several and famous guitar players who initiated this project.
- AGE-ONE** is a nice example of technology with a bright and beautiful sound used in an optimum way.
- AGE-ONE** was developed after one distinct goal. It should as close as possible sound as the old days tape and disk echo machines, no more no less! No intentions were made to, in any way, make it sound "better".

AGE-ONE

MAIN TECHNICAL SPECIFIKATION

Input sensitivity	1. 80 mV in 1M Ω for 0 dbm out (Eff. only output)
Input sensitivity	2. 140 mV in 1 M Ω for 0 dbm out (Eff. only output)
Input sensitivity	3. 350 mV in 1 M Ω for 0 dbm out (Eff. only output)
Max.input level.....	1.3V, prior to clipping
Max. output level.....	200mV, in 10 k Ω , (Mixed output)
Residual noice	-75 dB
Max. Delay time	450ms
Mains voltage	220V 50/60 Hz, 30W
Fuse	internal, 2 x 1 Amp slow sockets
Level indicator.....	12 segment LED type
Dimensions	W483 x H44 x D215
Weight.....	4 kg
Remote control.....	foot pedal

Connections

Instrument input	phonojack, mono
Eff. only output.....	phonojack, mono
Eff.+Direct.....	phonojack, mono
Remote Input	phonojack, stereo

All specifications above may be modified without prior notice!
